

Pina Soni, RN, MSN, AGPCNP-BC

**Objective:** To utilize my expertise as a diligent medical professional with more than 25 years of experience in direct patient care; specifically providing acute and chronic pain management care for back, neck and various musculoskeletal conditions.

### **Professional Experiences**

2015- Current

Spine Works Institute

#### Nurse Practitioner

Currently my duties as a Nurse Practitioner at a spine surgery and pain management practice include providing care to patients with acute and chronic pain involving various spinal conditions. Patient care includes assessment, diagnosis, interpretation of diagnostic imaging, recommendation of interventional procedures and medications. Other duties include providing referrals to other health care professionals, follow up care for neuromodulation, performing trigger point injections, and intra-articular joint injections. Additionally, I provide education to promote health and safety of patients. Serve as a preceptor for Advance Practice Nursing students.

2006-2015

Pinnacle Pain Management, Arlington, Texas

#### Nurse Practitioner

As an advanced nurse practitioner in a pain management practice, provided direct patient care under Advanced Practice Nurse's scope of practice in a population focus area authorized by the Texas Board of Nursing (BON). Functions include history and physical exams, ordering and interpreting laboratory tests and radiologic exams, evaluation and management of acute episodic illnesses and stable chronic diseases, providing health promotion and safety instructions, and referrals to other health care providers as needed; performed clinical function such as order interventional procedures for acute and chronic pain disorders, provide follow up care, pre and post-op care for patients undergoing neuromodulation and intrathecal pump trials and implants, trigger point injections, BOTOX injections for migraine headaches, joint injections, refill and reprogram intrathecal narcotic pumps.

2002-2005

Harris Methodist Fort Worth Hospital, Fort Worth, Texas

Medical-Surgical Intensive Care Unit

#### Staff Nurse

Provided direct patient care in Intensive care unit (ICU) setting with acute pulmonary, GI, renal disorders, as well as some cardiovascular, and endocrine disorders.

1999-2001

University of Michigan Medical Center, Ann Arbor, Michigan  
Critical Care Medicine Unit

Staff Nurse

Provided direct patient care in a medical intensive care setting. Patients were primarily diagnosed with pulmonary disorders, as well as renal and GI disorders. Followed various clinical research study protocols involving pulmonary care. Served as a preceptor for newly hired staff nurses, and Education and research committee member.

1995-1999

Oakwood Hospital and Medical Center, Dearborn, Michigan  
Provided direct care to patients with acute and chronic renal failure, pulmonary diseases, Diabetes, Gastrointestinal and infectious diseases.

Pina Soni ANP-BC, received her RN license in 1995. She worked in a critical care setting for several years. In 2001, she attended the University of Michigan, Ann Arbor, and graduated Summa Cum Laude with Bachelor's of Science in Nursing. She then moved to Texas, and attended the University of Texas at Arlington. There she studied Advance Practice nursing and received a Master's of Science in Nursing. She has more than 25 years of experience providing direct patient care.

Pina has worked at Spine Works Institute since 2015 assisting Dr. Hay to provide pain management care in the clinic.

She is board certified through American Nurses Credentialing Center. She is currently a member of Texas Nurse Practitioners. She is fluent in two Indian languages and enjoys volunteering in the community, traveling and spending time with her husband and three children.
